**INFORMATION FOR JUNE 1 HEARING TO CONSIDER ADMENDMENTS TO  
CLASS 2,3, 4A/4B PRICE FORMULAS**

As noticed on February 21, 2006, the June 1 Hearing will begin promptly at 9:00 a.m. in the CDFA Auditorium. The hearing is likely to continue to June 2nd, also in the CDFA Auditorium. To help accommodate all who wish to participate, the Hearing Panel is likely to allow testimony to extend beyond regular hours until possibly 6:00 p.m. or longer on June 1st.

The petitioner has indicated their presentation will use the full 60 minutes allowed. Six Alternative Proposals have also been received by CDFA which are allowed up to 30 minutes of presentation time each. Questions from panelists could take additional time. It is possible that public witnesses, which follow the presentations noted above, may not begin until late on June 1st or until June 2nd if the Hearing continues until the next day.

To allow time for as many pubic witnesses as may wish to testify, if the Hearing continues until June 2nd, the Hearing Panel will begin receiving testimony on Friday at 8:00 a.m. If you have questions about the hearing schedule for June 1st, or for the rescheduled Hearing on July 6th please contact the Dairy Marketing Branch at (916) 341-5988.
